#### The quoted costs include:

- GST and Application fees payable to the EWRB.
- All course work and documentation and includes the block course.
- **The current Electricity Act 1992, Electricity (Safety) Regulations 2010, AS/NZS 3760:2010, AS/NZS 3000:2007(A2) and ECP 34 will be provided to ER students.**

#### Quoted costs do not include:

- Registration or licensing fees payable to the Electrical Workers Registration Board, which are payable by the student.
- Unit Standard Credit Registration fees to NZQA in the event that you would like the unit standard outcomes registered on the National Qualifications Framework.
- Supplementary legislative material identified by the EWRB will incur additional costs.

#### Training Program

The training programme is one of managed and supervised self-paced learning, with mentorship contact sessions on Wednesday from **12.00am to 6.30pm**. The course modules are provided as a series of learning modules, in accordance with examination requirements prescribed by the EWRB.

**Important facts:**

1. In order to write the examination, **you are required to have completed a course of instruction, and/or provide evidence that you have done so.** It is not necessary that you complete the course with us, even though we do provide the appropriate training and preparation. If you need any additional information on our courses, please feel free to contact us.
2. **Students that fail to complete and return at least 60% of the preparation work prior to the block course will be transferred to the next available course. Administration Fees May Apply.**
3. If you want to either withdraw from a course, or transfer to another course, you may do so, subject to completion of a withdrawal/transfer application **not less than 5 working days prior to the commencement of the course** (available on request from ETEC) together with a payment of an administration fee of 10% or \$ 100.00 whichever is the lesser. **If this application is received after this period but before the block course starts you will also forfeit the exam fee.** Once the block course starts, no application for withdrawal or transfer will be considered except in exceptional circumstances. The date of withdrawal or transfer is the date of submission of notification.
4. Any refund that you may be entitled to will be calculated as follows: **Course fee minus the required administration fee and cost of documentation provided.**
5. Course times are as follows:
  - 5.1. Block Course Days – **8.30 a.m. to 4 p.m.**
  - 5.2. Examination Day – **8.30 a.m. to Examination Finish.**
6. If you wish to apply for additional time for the examination, please ask for an application form on Day 1 of the block course. An administration fee of \$50.00 and any supporting documentation must accompany the application form.

**Examination Only Fees**

<b>Examination Type</b>	<b>EWRB Exam Fee</b>	<b>Or EWRB Late Exam Fee</b>	<b>Plus Admin Fee</b>
Electricians Theory Examination	\$ 85.00	\$ 170.00	\$ 60.00
